Dear All,

Attached please find the revised agreement removing the Regional Board from the signature page. Mr. Bates, where are we with having the 216 Slauson owners' sign off on this agreement? Thanks.

Sincerely,

Michael Lebow

Michael,

Regarding the draft Access Agreement prepared by your office for the site, normally we don't sign the access agreement. We ask that our agency be removed from the signature page of this agreement. Regional Board staff will be inspecting the site at the time in which on-site remedial and investigative work is being performed by others, and we will be requesting access at that time. Thank you.

Dear All,

Pursuant to our prior discussions a draft Access Agreement was prepared by our office and circulated to all interested parties on May 8, 2019. We have not been informed of any objections to the proposed agreement. However, we have also not received executed copies of the agreement. We would like to get this agreement finalized and in place so that we can proceed as discussed in our meeting of May 3, 2019. Please advise as to status. If you have any questions or concerns, please do not hesitate to contact us. Thank you.

Sincerely,

Michael Lebow
